

PHOTO SPEED/RED LIGHT FINAL HEARING ADVISMENT

You have requested a final hearing. You are advised:

1. **Advisement:** You are giving up your right to a formal advisement of your rights, if you sign the waiver of initial appearance.
2. **Speedy Trial:** You have the right to have a final hearing within 90 days of your not guilty plea.
3. **Legal Counsel:** You have the right to hire an attorney to represent you at the final hearing.
4. **Evidence:** You have the right to present a defense. You may present exhibits, such as photographs, documents, or video. Exhibits must be in a printed format or on a DVD-R disc.
5. **Witnesses:** It is up to you to issue subpoenas for witnesses or make arrangements for your witnesses to be present at the final hearing. The clerks office will give you a subpoena if you ask.
6. **Discovery:** Discovery is not available until the time of the final hearing. At that time, you will be entitled to inspect all documents which the Photo Enforcement Agent intends to use at the final hearing.
7. **Points:** Photo Speed/Red Light tickets are 0 point violations and are not reported to DMV. There are also no court costs associated with these tickets.
8. **Checking into Court:** You must check in with the clerk in the courtroom prior to your scheduled hearing time. If you do not check in within 15 minutes of your scheduled hearing time, a default judgment may enter against you.
